Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for the Heartwood School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Alexis Adams for assistance.

The AER is available for you to review electronically by visiting the following web site www.inghamisd.org (SEE Q.7 AND Q.8 OF THE 2019-20 AER FAQ DOCUMENT FOR DIRECTIONS), or you may review a copy in the main office at your child's school.

For the 2018-19 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified has not been given one of these labels.

Heartwood School services students with severe disabilities. Key challenges reflected in our data include student ability to access the environment, communicate, and participate in assessments. In order to accelerate student achievement and close persistent achievement gaps related to these challenges, Heartwood School has adopted multiple initiatives. Heartwood School implements a school-wide core vocabulary approach to communication through which students are provided direct instruction and aided language input related to communication using alternative methods. Additionally, we implement Mobility Opportunities Via Education program school-wide, integrating opportunities to increase mobility throughout programming. We are also working to increase our use of an Alternative Pencil approach to writing. Heartwood School continues to strive to provide evidence based practices that encompass academic, daily living, and vocational skills. Teachers are highly trained and skilled at providing the best educational experience possible to help the students learn the necessary skills to become productive and independent citizens in their communities

State law requires that we also report additional information.

Process for Assigning Pupils to the School. Heartwood School works with local

Ingham County school districts to provide evidence based services to students, as determined through the IEP process. We do not enroll students independent of local involvement. If an individual is interested in the programming we provide, their first contact should be with the local special education director.

Status of the 3-5 Year School Improvement Plan. Heartwood's School Improvement Plan focuses on collaboration among professionals to ensure age-appropriate evidence-based instruction in multiple domains. We continue to improve toward these goals through embedding core vocabulary and MOVE into academic instruction. Additionally, we have developed a transition skills inventory and are working to develop a math assessment that will inform instructional practice. Through these activities we are working toward achievement of our School Improvement goals.

Brief Description of Each Specialized School. Heartwood School services students with severe to profound disabilities. We operate programs for Autism, Cognitive Impairments, and Severe Multiple Impairments. Our program services students ages 3-26 years.

Core Curriculum. The core curriculum can be accessed through your student's teacher or by contacting Alexis Adams at 517.244.1404. Additionally, please visit the [Core Standards](http://www.corestandards.com) (www.corestandards.com). Heartwood School implements the [Essential Elements of the Core Curriculum](https://www.michigan.gov/mde/0,4615,7-140-22709_28463-18034--,00.html) (https://www.michigan.gov/mde/0,4615,7-140-22709_28463-18034--,00.html), which varies from the state's model in that these elements focus on the critical components of the Core Curriculum, bringing the learning targets within reach of our students.

Student Achievement Results. During the 2018-2019 school year, greater than 95% of eligible students participated in state assessments.

Parent Conferences. During the 2018-2019 school year, 66% of students were represented by parents at parent-teacher conferences.

We are pleased to have the opportunity to continue to serve your child and look forward to continued growth and educational success.

Sincerely,
Alexis Adams
Heartwood Principal

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
