Ingham ISD

SCHOOL SOCIAL WORKER CODE DEFINITIONS

Evaluations, Assessments and Testing

Encompasses all meetings, reports, testing and observations completed for the IDEA Assessment. The evaluation should only be reported once, even if the evaluation is administered over several days (one log for all work done). The date of service is the date eligibility is determined (IEP/IFSP mtg). Note: An evaluation must be completed to use this code.

	Service	Definition
Evaluations	Mental Health Assessment (Initial Eval)	A professional, clinical evaluation of the student's overall mental health functioning.
	Developmental Screener with Score	Developmental milestone survey, speech and language delay screen, with scoring and documentation, per standardized instrument.
	Developmental Testing 31-76 Mins	Developmental Testing w/Interpretation & Report, First Hour (31-75 min) Including assessment of fine and/or gross motor, language, cognitive level, social, memory and/or executive functions by standardized developmental instruments
	Developmental Testing +77 Mins	Developmental Testing w/Interpretation & Report, each additional 30 minutes beyond the first hour (Including assessment of fine and/or gross motor, language, cognitive level, social, memory and/or executive functions by standardized developmental instruments)
	Brief Emotional/Behavioral Assessment	Examples: depression inventory, ADHD scale, with scoring and documentation, per standardized instrument.

IEP Participation

Participation in the IEP/IFSP meeting. Encompasses all work done for the IEP. The date of service is the date of the IEP meeting.

C4S Providers

The Caring 4 Students Program (C4S) allows for billing of Medicaid eligible services for general ed students that have an active plan of care. If you are a C4S provider and work with general ed students you should use the codes that have **HA C4S** at the beginning for any of the above referenced codes.

Ex. **H004 HA C4S: Individual Behavioral Health Counseling**
