A potential grievant shall first review this Agreement to determine whether there is a grievable situation. Notification, verbally or in writing as herein described, shall be made to the administrative personnel involved by using forms provided by the District.

- C. Any individual employee at any time may file and process a grievance up to Step 2, excluding arbitration, and have the grievance adjusted without the intervention of the Association or its representative, if the adjustment is not inconsistent with the terms of the agreement and provided that the Association or its representatives have been given an opportunity to be present at such adjustment.

Any time limit may be extended by mutual consent, in writing, by the involved parties.

- C. The failure of an administrator to communicate his/her decision to the grievant within the specified time limits shall permit the grievant and/or Association to proceed to the next step in the grievance procedure.
- D. A written statement of grievance shall contain the following information:

 - 3. It shall cite that section or subsection of this Agreement alleged to have been violated.

- E. No documents, communication, or records of a grievance shall be filed in the personnel files of the participants. This does not include documents, communications or records which may have preceded or led to a grievance, including but not limited to evaluation, reprimand or discipline. A grievant having a grievance shall, within fourteen (14) days after the grievance becomes known, or reasonably should have become known, submit a written grievance to the grievant's immediate supervisor, if the grievant is an individual. If the Association itself is the grievant, the Association shall commence the procedure at Step One, unless Section 3(D) is applicable. If an employee presents a grievance, at the employee's option, he/she may request the presence of a representative of the grievance committee identified in Section 3(A) of this Article, at such Step One meeting.

Within five (5) days after receipt of the written grievance, the supervisor will discuss the grievance with his/her unit/program cabinet member and will attempt to resolve the grievance within the said five (5) day period by holding a meeting with the grievant and his/her representative. Within five (5) days after the meeting,

the supervisor will render his/her decision in writing, sending a copy to the unit/program cabinet member, the grievant and the Association President.

B. STEP TWO

If the grievance is not resolved at Step One, it may be referred in writing to the Superintendent within five (5) days of receipt of the supervisor's reply. If the Association is the grievant, it may be referred in writing to the Superintendent within fourteen (14) days of the date that the Association became aware of the grievance or should have become aware of it if Section 3(D) is applicable. The Superintendent or his/her designee will attempt to resolve the grievance by holding a meeting with the grievant and/or necessary persons within seven (7) days of receipt of the grievance. A written answer shall be given to the supervisor, unit/program cabinet member, grievant and the Association President within five (5) days after the conclusion of the meeting.

C. STEP THREE

If the grievance remains unresolved at the conclusion of Step Two, it may be submitted for binding arbitration at the request of the Association, provided written notice of the request for submission to arbitration is delivered to the Board and either the American Arbitration Association or the Federal Mediation and Conciliation Service within twenty (20) days after receipt of the decision in Step Two. Following written notice of request for submission to binding arbitration, the arbitrator will be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration hearing. In the event the submission is to the Federal Mediation and Conciliation Service in lieu of the American Arbitration Association, the rules of the Federal Mediation and Conciliation Service shall be utilized in the selection of the arbitrator and shall likewise govern the arbitration hearing.

SECTION 6. ARBITRATION.

- A. The arbitrator so selected will confer with the parties and hold hearings promptly and will issue his/her decision within thirty (30) days after the close of the hearing or submission of briefs, where applicable.

- B. The arbitrator's decision shall be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues submitted.
- C. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement or amendments.
- D. The arbitrator's powers shall be limited to deciding whether the Board has violated the expressed Articles or Sections of this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Board. The arbitrator shall have full authority to uphold or rescind disciplinary measures imposed by the Board.
- E. Both parties agree to be bound by the decision of the arbitrator and agree that either party may enter a judgment thereon in any court of competent jurisdiction.
- F. The arbitrator's fee and expense shall be divided equally between the parties.
- G. An employee who is required by the Board or Association to participate in an arbitration hearing under this Agreement shall be put on standby during the work day and shall be excused with pay when called to testify. In addition, the grievant, Association President, or one (1) representative from the Association who participates in an arbitration hearing shall be paid for time lost in the arbitration hearing.

SECTION 7. TIME LIMITS. The parties recognize and agree that all labor disputes must be quickly resolved in conformance with the Master Agreement language. All time lines outlined in Article 6 must be strictly complied with, subject to Section 8 below.

In the event that a grievance is not presented, or is not appealed from one step to another, within the time limit provided, the grievance will be considered as being withdrawn or settled on the basis of the Board's last answer. Failure of the Board to respond to a grievance, at any step within the time limits specified shall be considered a denial of the grievance and it may be processed at the next step. A grievant may withdraw further consideration of a grievance at any stage of the procedure.

SECTION 8. NOTICE OF OUTSIDE REPRESENTATION. In the event the Assistant Superintendent of Human Resources is not an attorney and the Association is represented by an outside representative (e.g., legal counsel) at any step of the grievance procedure, the Assistant Superintendent of Human Resources will be given at least three (3)

REDUCTIONS IN NON-TEACHING PROFESSIONAL STAFF, ALTERNATIVES TO LAYOFF, SENIORITY PAYROLL STATUS OF EMPLOYEES ON LAYOFF/ UNUSED SICK LEAVE, AND RECALL FROM LAYOFF

PART A - ALTERNATIVES TO LAYOFF – NON TEACHING PROFESSIONAL STAFF

Except as otherwise noted, PART A is inapplicable to positions designated as Teachers within Article 1(s). Teachers retain contractual rights in accordance with this Article as written solely with respect to non-teaching professional staff positions.

SECTION 1. BOARD INTENT. The Board agrees that in any situation necessitating staff reductions, it is the intent of the Board to reduce staff (excluding positions designated as Teacher within Article 1) through attrition and through providing employees the opportunity to choose voluntary alternatives prior to proceeding to layoffs. The Board agrees that a reduction in FTE of at least 50%, excluding reductions in workweeks, will be deemed a layoff for purposes of this Article, provided that the FTE being reduced is not less than 38 workweeks.

SECTION 2. ALTERNATIVES TO LAYOFF – NON TEACHING PROFESSIONAL STAFF. Alternatives to layoff which may be offered to and selected by eligible employees (excluding positions designated as Teacher within Article 1) may include:

- A. Voluntary Leave
- B. Job Sharing
- C. Sabbatical Leaves, pursuant to Article 33
- D. Early Retirement, pursuant to Article 23

The intent of this provision is to apply to either (1) non-teaching professional staff who, if a voluntary alternative is not selected, would be subject to layoff, or (2) other non-teaching professional staff in the same job who would not themselves be subject to layoff, but who, by their selection of a voluntary alternative, utilizing preference based on the non-teaching professional staff 's seniority, would "save" the job of a fellow NTPS who would be subject to layoff. An NTPS who elects job sharing as an alternative, will also be eligible for study with tuition reimbursement, up to a maximum of Two Thousand Four Hundred (\$2,400.00) Dollars per contract year. The Association will pay one-half of all expenses and the Board will pay the other one-half up to the maximum allowed per person.

- A. **VOLUNTARY LEAVE.** An unpaid leave of absence for one school year may be requested as an alternative to staff layoffs for any of the following reasons:

1. STUDY WITH TUITION REIMBURSEMENT.

- (a) The course of study must be related to the individual's job to the extent that it may clearly be expected to result in an increase in the knowledge and skills required for the job or another career area.
- (b) A study plan for the year is to have prior approval of administration.
- (c) Reimbursement for the current cost of resident, graduate, on-campus tuition at Michigan State University for a maximum of thirty-six (36) term hours of credit or twenty-four (24) semester credits from an approved college or university, satisfactorily completed as available at a rate not to exceed Ninety (\$90.00) Dollars per credit hour or a total of Three Thousand Two Hundred Forty (\$3,240.00) Dollars for the year. This sum will be generated by funds from the District and the Association. The District will contribute Sixty (\$60.00) Dollars per credit and the Association will contribute Thirty (\$30.00) Dollars per credit to cover the expenses generated up to the maximum per person.
- (d) A request including a study plan is to be submitted to the immediate supervisor, the division administration, and the Assistant Superintendent of Human Resources, in that order, for recommendation to the Superintendent and the Board of Education.

- (e) NTPS approved for a study leave with tuition reimbursement will be expected to return to service with the District for a minimum period of one (1) school year, provided a position is available.

Non-teaching professional staff who voluntarily terminate their employment with the District without returning to service after such study leave will be required to refund any tuition reimbursement received under the leave.

2. WORK EXPERIENCE/TRAINING.

- (a) Work experience in another career area.
- (b) Training or course work in another career could be undertaken.

3. CHILD CARE/PERSONAL.

- (a) To care for a family.
- (b) Other personal reasons.

4. PROVISIONS OF VOLUNTARY LEAVE.

- (a) Substitute teaching will be allowed for qualified NTPS.
- (b) Medical and life insurance benefits may be purchased from the District at cost (one month equals 1/12th year, 20 working days equals a month), subject to the terms of the master insurance contracts. Arrangements and payments of premiums are to be the sole responsibility of the individual making the requests.
- (c) First choice for a leave will be given to those requesting a full year leave. A half-year leave will be considered, providing it could be coordinated

with a corresponding leave for the other half-year.

- (d) Upon return from leave, the NTPS will return to a vacant position for which he/she is certified and qualified.

B. JOB SHARING. Job sharing is a situation in which the responsibilities of one position are shared equally by two (2) NTPS, both of whom are fully qualified for the position. Job sharing may be requested under the following conditions:

1. Job sharing is available to two (2) staff members holding parallel positions, who voluntarily agree to work together in sharing one full-time position.
2. Application will be made jointly and voluntarily.
3. Each NTPS will receive fifty percent (50%) of his/her salary for the appropriate step each is on and would share equally one full-time position.
4. A plan is to be developed jointly and submitted for approval. The plan will include the following:
 - (a) Daily schedule showing hours for each job-sharer.
 - (b) Description of the division of instructional responsibilities and other duties assigned to the position.
 - (c) Description of the division of other responsibilities of the position including but not limited to faculty meetings, parent conferences and contacts, conferences, in-service, evening activities, and committee work.

- (c) Plans will be approved for one year only. Non-teaching professional staff would be reassigned to a full assignment at the beginning of the next school year, unless a request is initiated by the non-teaching professional staff member and a plan is approved for the next year. Such plans must be submitted within thirty (30) calendar days after receipt of layoff notice.

6. Job sharing as an alternative to layoff is subject to annual approval by the Board.

PART B - SENIORITY

SECTION 3. SENIORITY. The following rules define how seniority is accumulated:

- A. Continuous service for seniority purposes means, consistent with past practice, length of continuous service in the bargaining unit commencing with the first date for which compensation is paid.

Continuous service for the purpose of retirement service credit and appropriate benefits means length of continuous service with the Board.

- B. Seniority continues so long as the employee is continuously employed by the school district. Employees who are off work during the summer vacation or other school vacation periods are considered to be continuously employed if they are under contract to resume working when school resumes; and employees on an extended contract who are actually working during these vacation periods do not acquire additional seniority credit as a result of such service.
- C. Continuous service shall not be interrupted by a leave of absence granted pursuant to the provisions of this Agreement. A layoff shall not interrupt the accumulation of seniority.
- D. Seniority is broken upon the effective date of retirement, resignation, involuntary termination (discharge) and the employee is not reinstated, transfer to a non-bargaining unit position for more than two (2) calendar years, or after layoff for a period equal to the length of the employee's seniority not to exceed three (3) calendar years.
- E. An employee who is granted a leave of absence and upon expiration of the leave of absence voluntarily does not resume service with the Board, shall be treated as a voluntary quit and shall lose seniority.

In the event an employee has indicated his/her willingness to return to work upon expiration of an unpaid leave, but is denied an opportunity to do so because of lack of a vacancy for which he/she is certified and qualified, the employee shall not lose his/her seniority until seniority is broken over a three (3) calendar year period.

An employee who is denied an opportunity to return to work upon expiration of an unpaid leave because of lack of vacancy for which he/she is certified and qualified, will be placed on layoff with attendant rights and benefits.

- F. Employees on layoff retain seniority accrued and continue to accumulate seniority at the time of layoff for a period equal to the employee's seniority not to exceed three (3) calendar years from the effective date of the layoff. After that period, seniority is lost.

- G. Employees whose seniority has been broken and who are subsequently re-employed will be considered as new hires.
- H. Part-time employees shall accumulate seniority at a full-time rate.
- I. A copy of the seniority list shall be sent to all bargaining unit members by October 15 of each school year who shall have thirty (30) days after receipt to bring discrepancies about their seniority date to the Department of Human Resources. The seniority list shall include the names of all bargaining unit members, their certifications achieved, their current job, and their current work location. The Department of Human Resources will meet and confer with the Association to resolve seniority issues. A copy of the seniority list and subsequent revisions and updates shall be forwarded to the Association President, Secretary and employee involved. Whenever possible, it is the intent of the parties to bring closure to seniority discrepancies within thirty (30) days after receipt by the Department of Human Resources of notice from the affected employee.

If two or more employees share the same seniority date, a lottery will be conducted in the presence of the Association President and by the Assistant Superintendent of the Human Resources Department. The first name drawn is the most senior and so on.

- J. An individual presently employed by the Board who has previously belonged to the bargaining unit, and has transferred to another position within the District outside the bargaining unit, shall retain accrued seniority for not longer than 2 calendar years.
- K. Grant employees, who did not accrue seniority under prior master agreements, began to accrue seniority effective August 30, 1982. Current grant employees who had previously accrued seniority in non-grant positions, retroactive to August 30, 1982, had that previously accrued seniority restored and began to accrue additional seniority on August 30, 1982.

SECTION 4. SUPERSENIORITY.

- A. For the purpose of layoff only, the Association's President, Vice President for Career Services and Technical Education, Vice Presidents for Special Education, Vice President for Classifications 151 and Above, Secretary and Treasurer shall be deemed to have greater seniority than other employees in their respective job classifications for the duration of his/her term of office, provided

that such officer is not in a position designated as Teacher within Article 1.

- B. For the purpose of layoff only, the Spokesperson and Chairperson for the Association's Negotiation Committee shall be deemed to have greater seniority than other employees in their respective job classifications for the duration of the collective bargaining process, provided that the Spokesperson and Chairperson is/are not in a position designated as Teacher within Article 1.

In the event of any legal action against the Board brought in a court or administrative agency because of its compliance with Section 4, the Association agrees to defend such action, at its own expense and through its own counsel. The Association also agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and court costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with Section 4. The Board shall fully cooperate in the defense of such action(s).

PART C - REDUCTIONS IN NON-TEACHING PROFESSIONAL STAFF – Part C is not applicable to bargaining unit members assigned to teacher positions. Teachers retain contractual rights in accordance with this Agreement solely with respect to non-teaching professional staff positions.

SECTION 5. BOARD OBJECTIVE. In any non-teaching professional staff reduction situation, it will be the Board's objective to staff all remaining positions with fully qualified staff members so that the quality of service in programs which have not been eliminated or reduced may continue to be maintained.

SECTION 6. LAYOFF/FACTORS CONSIDERED. In the event it becomes necessary to reduce the number of non-teaching professional staff, the Board shall determine which services are to be curtailed or eliminated, taking into consideration the following:

- A. The need for services requested by constituent school districts.
- B. Assessed manpower training needs.
- C. Financial resources available.
- D. Program needs of the District.
- E. Student enrollment.

SECTION 7. CONSULTATION WITH THE ASSOCIATION. In the event that the administration determines that multiple layoffs of non-teaching professional staff are necessary,

it agrees to meet with the Association President and/or representatives to explore alternatives to layoff prior to final recommendation to the Board.

SECTION 8. NOTIFICATION OF LAYOFF. In cases where a non-teaching professional staff is to be laid off through no fault of his/her own, the NTPS will be given written notice sent to his/her address of record by certified mail, restricted delivery to the affected NTPS, return receipt requested. The Board will give at least sixty (60) calendar days notice in advance of the effective date of the layoff, except in unforeseen instances of reduced enrollment and/or unforeseen economic necessity. Copies of the written notice of layoffs shall be provided to the Association's president or his/her designee.

SECTION 9. CURRENT INFORMATION. It shall be the NTPS's responsibility to keep the Department of Human Resources informed of his/her current address, qualifications (including certification, licenses, "highly qualified", and endorsements, etc.) and telephone number. Generally the District begins to evaluate potential layoffs in January. At the time a NTPS receives a layoff notice, the Board shall provide the NTPS with a form to be filled out indicating current address, telephone number, qualifications (including certification, licenses, "highly qualified", and endorsements, etc.) and expected duration of said residence.

SECTION 10. LAYOFF/CRITERIA. In the event of a non-teaching professional staff reduction requiring layoffs, the affected position(s) and potentially affected staff shall be identified, with the following criteria applied in this order:

- A. The first criterion is certification/licensure. Before laying off any other staff members within the affected certification/licensure, those lacking full certification and/or licensure according to the Michigan Department of Education standards are to be laid off.
 - 1. This criterion applies only to NTPS in positions requiring certification or other professional licenses or approvals. For non-teaching professional staff in positions not requiring certification/licensure and/or approval, this criterion may be ignored. The significant variable here is the requirement of the position, and the employee's certification/licensure/approval in relation to it. Any other types of certification or approval the employee may have are irrelevant in relation to this position.

- B. The second criterion is qualifications. Qualifications where used as a criterion in layoff are defined to include, but not necessarily limited to the following:
 - 1. Appropriate Education

- (a) Degrees
- (b) Majors and minors
- (c) Course work appropriate to the position

Or, in the case of NTPS positions not necessarily requiring a degree, or when the degrees are substantially equivalent,

- 2. Appropriate work experience (in this sequence or preference)
 - (a) Experience in the same position.
 - (b) Experience in the same job classification within this school district.
 - (c) Experience in the same job classification with another employer.
 - (d) Other related work experience.

The recency of the experience and its relevance to requirements of the job shall be factors. Categories (c) and (d) may include work experience outside the field of education where this is appropriate.

- 3. Other qualifications may be contained in the job description.

The minimum requirements for each job are as defined by relevant certification, licensure or approvals, and the job description. Qualifications are determined as outlined in Article 11, Section 14(B)(2).

- C. The third criterion is seniority. After satisfying the criterion in A and B above, those non-teaching professional staff possessing the most seniority within the District will be retained. Seniority status is not to be confused with status under the appropriate certification/licensure, or with salary schedule placement. These are separate variables. No new non-teaching professional staff shall be employed by the Board while there are such employees of the Ingham Intermediate School District who are laid off, unless none of those Ingham Intermediate School District NTPS on lay off are qualified and certified to fill the vacancy.

- D. The professional occupying the affected position may bump into the lowest position within the District at any work location for which he/she is certified/licensed and qualified and has more seniority than the person who holds that position.
- E. The professional who has been displaced as a result of D shall first fill any open position for which he/she is certified/licensed and qualified. Second, he/she must bump any non-certificated/licensed or non-tenured person in a position for which he/she is certified/licensed and qualified. Third, if no such non-certificated, non-tenured or open position exists he/she may bump into the lowest position on the seniority list for which he/she is certified/licensed and qualified (see example).

Example 1: NTPS "A" who is certified/licensed and qualified as a School Psychologist and has ten years of experience. "A's" position has been eliminated. "A" may bump the lowest senior School Psychologist or other NTPS position for which "A" is qualified in any unit. "A" chooses to bump another School Psychologist and therefore bumps "B". Professional "B" now must first move to any open position. If no open position exists for which "B" is qualified or certified/licensed "B" may bump any School Psychologist or other NTPS who is not fully certificated/licensed or probationary (in that order). If no such opening exists "B" must bump "C" who has the lowest district School Psychologist or NTPS seniority, only if "B" is certified/licensed and otherwise qualified for "C's" position. "C" will be laid off and may choose an option in Article 11, Section 2.

Example 2: Teacher "A" who is certified/licensed and qualified for a NTPS position has ten years of experience. "A's" position has been eliminated. "A" may bump the lowest senior NTPS position for which "A" is qualified in any unit. "A" chooses to bump "B". Professional "B" now must first move to any open position. If no open position exists for which "B" is qualified and/or certified/licensed "B" may bump any other NTPS who is not fully certificated/licensed or probationary (in that order). If no such opening exists "B" must bump "C" who has the lowest district NTPS seniority, only if "B" is certified/licensed and otherwise qualified for "C's" position. "C" will be laid off and may choose an option in Article 11, Section 2.

- F. Upon request, a qualified NTPS shall be referred to the appropriate vendor for substitute teaching opportunities.

SECTION 11. INVOLUNTARY TRANSFERS. An involuntary transfer of non-teaching professional staff will be made when considered necessary by the Board to (1) prevent layoffs, (2) fill vacancies, or (3) for the good of the District. If a transfer is necessary:

- A. The Association President or his/her designee, shall be notified of the need for such transfers and shall be given an opportunity to offer information prior to any reassignment of staff.
- B. The unit/program cabinet member of the unit, when applicable, will meet with the potentially-affected staff to discuss the problem and seek a volunteer.
- C. When there is no volunteer available and when practicable, the least senior NTPS having the applicable certification/licensure and qualification shall be moved.
- D. If an involuntary transfer occurs during the semester, the transferred NTPS shall be given two (2) working days release time to prepare for the new assignment.
- E. NTPS who are involuntarily transferred shall have the first right to any vacancy within the District for which they are certified/licensed and qualified. This right of recall is limited to the first available opportunity.
- F. This procedure shall not be applicable for temporary transfers. A temporary transfer will not be longer than thirty (30) calendar days without notice being given to the Association.

PART D - PAYROLL STATUS OF NTPS ON LAYOFF/UNUSED SICK LEAVE

SECTION 12. PAYROLL STATUS OF NTPS ON LAYOFF/UNUSED SICK LEAVE.

- A. Excluding positions designated as Teacher within Article 1, an NTPS who is on layoff or is granted voluntary leave as an alternative to layoff may, at the NTPS's option, convert his/her unused sick leave to extend medical and/or life insurance benefits, at the Board's group rate, by utilizing equivalent cash value as computed below:
 - 1. The Board will convert unused sick leave at the NTPSs regular hourly rate of compensation.
 - 2. As stated in Article 26, classification 1-150 NTPS who complete the school year and are laid off are

entitled to insurance benefits paid by the Board through August 31 of that year.

3. This benefit terminates after six (6) months.
- B. All benefits are subject to the terms and conditions of the applicable master policies between the Board and the insuring companies. The Board's liability is limited to payment of premiums as specified above.
- C. An NTPS who is recalled or returns from voluntary leave as an alternative to layoff and who has converted his/her sick leave while laid off, and who later becomes eligible for sick bank benefits will have his/her waiting period for sick bank benefits extended by five (5) additional days. This extension will be applicable during the first year after recall only.

PART E - RECALL FROM LAYOFF –Applicable to teachers solely with respect to NTPS positions.

SECTION 13. NOTIFICATION OF RECALL. Non-teaching professional staff selected for recall will be given written notice, sent to their address of record by certified mail, restricted delivery to the affected employee (See Part E above for definition of employee), return receipt requested. NTPS so notified have the following options:

- A. If the employee wishes to accept the recall, s/he will notify the Assistant Superintendent of Human Resources in writing of his/her acceptance and availability for work within ten (10) calendar days of receipt of the notice.
- B. If the employee wishes to waive the recall, s/he will notify the Assistant Superintendent of Human Resources in writing of his/her waiver within ten (10) calendar days of receipt of the notice, and stating the reason for declining recall. By exercising the waiver, the employee forfeits all rights to the position/s offered. The employee will then be continued on layoff as if no recall had been offered (with respect to NTPS positions only), and the Board will then recall the next eligible employee; or, if no other certified/licensed and qualified employee are available from layoff, it may hire a new employee for the position. However, an employee may not waive more than one recall notice during the same layoff period. An employee making a second waiver request for a NTPS position will be considered to have voluntarily resigned.

- C. An employee who fails to respond to the recall notice as required above will be considered to have voluntarily resigned.

SECTION 14. RECALL FROM LAYOFF. – Excluding 14, D, not applicable to teachers. 14B and C are applicable to teachers solely with respect to non-teaching professional staff positions.

- A. **RECALL TO SAME JOB CLASSIFICATION.** Recall from layoff to same job classification will be based on the following criteria in this sequence:

1. **Certification.** For NTPS positions requiring certification, licensure, endorsements and/or approvals, employees with the appropriate endorsements, and/or full approvals will receive first consideration. Employees with the appropriate certification/licensure will receive second consideration.
2. **Qualifications.** "Qualifications," as that term is defined in Section 10(B) and Section 14(B)(2) will be applied.
3. **Seniority.** Other criteria being equal, the senior NTPS will be recalled first.

- B. **RECALL TO DIFFERENT JOB CLASSIFICATION.** Recall from layoff to different job classification will be based on the following criteria in this sequence:

1. **Certification.** For NTPS positions requiring certification, endorsements and/or approvals, employees with the appropriate full approvals will receive first consideration. Employees with the appropriate certification will receive second consideration.
2. **Qualifications.** The Assistant Superintendent of Human Resources will recommend employees for recall based on qualifications. The Superintendent will be the final judge of the employee's qualifications for particular positions. Qualifications where used as a criterion in layoff and recall situations, are defined in Section 10(B) of this Article.

3. Seniority. Other criteria being equal, the senior employee will be recalled first.
-
- C. RECALL TO DISTRICT POSITIONS. When vacancies occur in other NTPS job classifications, excluding positions designated as Teacher within Article 1, the Department of Human Resources may recall laid off employees within the bargaining unit to open positions, taking into account the necessary certification, endorsements, or other professional licenses, approvals, experience, training and skills, as well as qualifications and seniority required to fill the vacant NTPS position.

 - D. REIMBURSEMENT UPON RECALL. If an employee is laid off at the end of a school year, is recalled before or at the beginning of the next school year, and receives unemployment compensation during the “summer denial period,” the employee’s compensation shall be adjusted during the next school year so that the employee’s adjusted compensation during each year plus the unemployment compensation benefits received shall equal the compensation the employee would otherwise have received during that successive school year.

ARTICLE 12

DISCIPLINARY PROCEDURES

Only sections 1, 3, 5, 8C and 10 are applicable to teachers

SECTION 1. PROFESSIONAL CONDUCT. Breaches of professional conduct and failure to perform at the established professional level are subject to disciplinary procedures. Examples of such breaches are: abuses of sick leave and other leaves, chronic tardiness, willful deficiencies in professional performance or proven incompetence, violation of Board policies, regulations and administrative directions not inconsistent with the terms of this Agreement and violation of the terms of this Agreement. Alleged breaches of professional conduct and reasons for possible disciplinary action shall be reported promptly to the offending professional staff.

SECTION 2. PROGRESSIVE DISCIPLINE.

- A. The Board will follow a policy of progressive discipline with respect to NTPS, subject to "B" below, which includes verbal warning, written warning, reprimand, suspension, with discharge as a last resort.
- B. The point of initiation of any disciplinary action may be determined by the severity of the non-teaching professional staff behavior.
- C. Warnings and reprimands shall be discussed privately between the non-teaching professional staff and the administrator, except when either party requests the presence of an Association and/or administration representative.
- D. Neither party shall delay discussion of a warning or reprimand for more than five (5) working days with the non-teaching professional staff after it has been issued, except by mutual consent.

SECTION 3. REPRESENTATION. Before any meeting is called from which disciplinary action may result, the employee shall be notified of the subject matter of the interview and shall be entitled to have present a representative of the Association. The employee may, if he/she desires, have a pre-interview conference with an Association representative prior to the meeting with the Board representatives. If an Association representative is requested to be present, no longer than two (2) working days may lapse before such meeting is held.

SECTION 4. NOTICE. Whenever the result of a reprimand, or disciplinary action for any infraction of discipline, or delinquency in professional performance is reduced to writing by the administrator, the findings and decisions of the administrator shall be filed in writing, in the employee's personnel file, and a copy thereof given to the non-teaching professional staff. The

NTPS may submit a written statement explaining his or her position, regarding the finding and decision which will then become a part of the staff's personnel file.

SECTION 5. PARTICIPANTS IN DISCIPLINARY ACTION MEETINGS.

Employees required by the Board to participate in grievance or disciplinary action meetings during scheduled working hours shall suffer no loss of pay in connection with the loss as a result of participation in such meetings. The Board shall attempt to schedule such meetings outside of scheduled working hours.

SECTION 6. JUST CAUSE. No non-teaching professional staff shall be disciplined without just cause.

SECTION 7. COMPLAINTS. Any official complaint (written and signed) about a non-teaching professional staff's professional performance shall be called to the staff's attention within five (5) working days of the receipt of the complaint. The NTPS shall receive a copy of the written complaint and shall be given an opportunity to respond to it before disciplinary action is taken. (see Non-Teaching Professional Staff Rights and Procedures Handbook). (There is a separate Handbook applicable to Teachers.)

SECTION 8. SUSPENSION. Suspension means the temporary removal of a non-teaching professional staff member until a situation that exists can be reviewed and considered.

A. **Suspension with Pay.** Non-teaching professional staff may be suspended from their assignment with pay for the following reasons:

- (1) Investigation of charges.
- (2) Pending and during trial on criminal charges
- (3) Pending and during dismissal proceedings

B. **Suspension Without Pay.** Non-teaching professional staff may be suspended without pay for disciplinary reasons, subject to the grievance procedure, when applicable.

C. Pursuant to the "School Safety Legislation," MCL 380.1230 et seq, suspension without pay may also occur when the non-teaching professional's certificate is suspended or revoked by the Michigan Department of Education, following verification of the accuracy of a report of conviction. See <http://www.legislature.mi.gov/>

SECTION 9. TERMINATION.

A. In the case of the discipline, suspension, or termination of a non-teaching professional staff, such discharge shall be subject to the grievance procedure.

- B. The Board's decision not to re-employ a probationary employee shall be in accordance with the law, where applicable, and these actions shall not be subject to the grievance procedure or arbitration provisions.
1. It is understood that all employees within this bargaining unit (including NTPS employees) shall serve a probationary period of at least two full work years or the probationary period required by law.
 2. The Board may, in lieu of discontinuation of employment, provide a third year of probation to NTPS employees.

SECTION 10. PROLONGED AND/OR RECURRING ABSENCES. It is the intent of the Board and Association to work cooperatively to minimize prolonged and/or recurring absences of employees. For the purposes of this Section, "prolonged absence" refers to a questionable absence from the job for over five (5) consecutive days. "Recurring absence" refers to questionable absences that result in a Professional's need to request unpaid time.

When a Professional has a prolonged or recurring absence, the District reserves the right to require a written doctor's excuse prior to allowing the Professional to return to work and/or have the employee examined by the Board's doctor at the Board's expense.

Prior to taking such action, the Board shall have notified the affected Professional, and Association, in writing, of their concern and expectation for correction.

In addition, the Board, Association and employee affected shall meet and confer to identify appropriate ways in which the Association can assist the Board and Professional to correct prolonged and/or recurring absences.

ARTICLE 13

PROFESSIONAL WORKING HOURS

SECTION 1. PROFESSIONAL WORKING HOURS. The Association and the Board of Education have agreed to the concept of professional working hours. The concept is based on the premise that flexibility and quality service are needed to meet the changing demands of the District's clients.

"Professional hours" is not an attempt to increase or decrease the number of hours worked by the staff but is a recognition that a professional's day is not a fixed time period but must be fluid to enable the District and the staff the ability to perform the duties of their jobs and to provide staff with an opportunity for curriculum development, problem-solving, in-service training, attending faculty meetings and IEPCs, conducting student and parent conferences, evaluating student performance and progress, working on committees and committee assignments, correcting and evaluating student papers and themes, developing instructional materials, professional reading and study, and advanced college study. Therefore, the normal day for employees shall be considered to be those hours required to perform the full range of professional responsibilities in preparation to increase and develop as necessary the quality of their services to our clients.

The professional hours concept refers to professionals (Classification 1-150 only). They shall commence their work day fifteen (15) minutes prior to student contact time and ending their work day no sooner than fifteen (15) minutes after the conclusion of the established student contact time.

The Professional Hours Advisory Board shall be composed of the President of the Association and two designees and the Assistant Superintendent of Human Resources and two designees. Each work group shall develop and maintain a plan for flex-time/work schedule adjustment. The plans would be applicable for the duration of the collective bargaining agreement. The Advisory Board will be assembled to hear concerns, questions, or issues raised about the implementation of professional hours.

Any recommendations to change the currently established beginning or ending time of day or any changes which increase or decrease student contact time shall be brought to the attention of the Professional Hours Committee by the program supervisor. Any change in professional working hours, beginning or ending time of day or any changes which increase or decrease student contact time shall be subject to negotiations. Failure to do so will result in no changes occurring until this condition precedent has been met.

SECTION 2. WORK SCHEDULE. Employees assigned to work in local districts are expected to observe the school day and year professional schedule in effect in schools they serve within the limits of the Intermediate District work schedule requirements. If there is a discrepancy between the Ingham Intermediate School District and local school district work schedule requirements, the employees shall bring this to the attention of his/her supervisor.

SECTION 3. REST PERIODS/LUNCH PERIODS. (Classification 151 and above).

Employees are permitted to have paid rest periods, up to fifteen (15) minutes in the first half of the work day, and up to fifteen (15) minutes during the second half of their work day. Employees may have a one (1) hour lunch period and/or shorter lunch period.

SECTION 4. LUNCH PERIOD. (Classification 1-150). Employees shall be entitled to a thirty (30) consecutive minute, duty-free lunch period.

SECTION 5. PROFESSIONALS ASSIGNED TO THE COSMETOLOGY PROGRAM. Professionals assigned to the Cosmetology Program shall be scheduled Monday through Saturday, with a mutually agreed upon day off during the week. The work day, including Saturdays, shall be seven one-quarter (7.25) hours for each day assigned. The individual employee contracts for the professionals assigned to the Cosmetology Program shall reflect the additional time worked each day.

Professionals assigned to the Cosmetology Program and who are unable to have a thirty (30) consecutive minute duty-free lunch period shall on Saturday or on a weekday when one professional is working alone as a result of Saturday scheduling will receive in addition to their base salaries extra compensation of one (1) hour at their hourly rates of pay whenever the entitlement of a duty-free lunch period is lost. A timesheet will be submitted for payment.

Additional days worked after the conclusion of the regular school year that are a part of the mandatory Cosmetology requirement will be paid at the regular daily rate of pay. A timesheet will be submitted for payment.

The professionals assigned to the Cosmetology Program shall receive 72.5 hours of sick leave each year. Leave used for one day of absence shall be at 7.25 hours.

SECTION 6. FLEX TIME/WORK SCHEDULE ADJUSTMENT FOR STUDENT SUPPORT SERVICE AND EARLY ON 1-150 STAFF (See Appendix T). The Board and the Association recognize that employees have responsibility to pupils and the profession which requires performance of duties that involve expenditure of time beyond that provided in the minimum work day.

Student Support Service and Early On 1-150 staff (eligible staff defined in Appendix T) shall receive a \$450 stipend as outlined in article 29, section 13.

This stipend is compensation in recognition of the extent to which such staff regularly participate at meetings or conferences or provide professional services which occur outside of the regularly scheduled work day, such as but not limited to the following:

1. IEP meeting participation
2. LEA/PSA scheduled meetings
3. Parent conferences

9. Purchasing supplies
10. Medicaid/service logging

IIPSA and the Board agree that staff are allowed to flex their time for eligible activities within two-weeks from the date earned if they were required as defined above to perform services outside of the regularly scheduled work day. If they are unable to flex the time within two weeks from the date it is earned, the time is lost.

SECTION 7. FLEXTIME/WORK SCHEDULE ADJUSTMENT FOR IIPSA 151 AND ABOVE STAFF In recognition of the diverse roles and work schedules that are represented in Classification 151 and above, it is acknowledged that individual employees may, at times, need to make adjustments in their work schedules to accommodate their customers' schedules. Employees will work with their supervisor to initiate a mutually agreed-upon arrangement to adjust the work schedule to accomplish the work that meets the customer's needs and schedule.

Guidelines for adjustment of work schedules include:

1. Customers' needs require an adjustment of the employee's work schedule.
2. Joint discussion between staff member and supervisor about temporary change in the regularly scheduled work hours to accommodate and acknowledge the non-traditional work schedule that is created by customers' needs.

3. If an agreeable arrangement cannot be reached, then the staff member will maintain and present a month-long log that outlines the hours and functions that were required to accomplish agreed-upon work.
4. At that point, if an agreeable arrangement cannot be made by the staff member and supervisor, he/she may take the situation to the next administrative level.
5. Such adjustments in work schedules would be made within a thirty (30) day period after the work schedule was adjusted and/or the work completed. An extension for using accumulated time must be mutually agreed upon between the employee and supervisor.
6. This adjustment is available to cover changes in scheduled work hours occasioned by customers' needs for personal interaction with the employee and is not intended to cover additional work time that professionals experience on an occasional basis due to workload or other issues

If the employee's work continually requires non-traditional work hours, then an arrangement will be made to adjust his/her work schedule on a regular basis. Example: Longer days, four days per week; four day weeks twice a month; different arrival and leaving times for that position; and so on.

PROFESSIONAL WORKING CONDITIONS

SECTION 1. SERVICES FOR THE ASSOCIATION. The Board agrees to make available telephone service, typing and duplicating facilities, and clerical personnel as it determines necessary to aid employees in the preparation of job related materials approved by the supervisor.

SECTION 2. PROFESSIONAL REFERENCE MATERIALS. The Board agrees to provide and maintain professional reference materials through the District Portal. The Board agrees to provide testing equipment, play equipment, and other job related equipment as needed, budgeted, and administratively approved.

SECTION 3. NON-WORKING DAYS. (Classification 1-150). Excluding Early On Staff whose calendar is governed by Letter of Agreement 2011-08, employees are entitled to non-working days consistent with non-working days of the districts served. In those cases where an employee serves several districts and the non-working days do not coincide, the Ingham Intermediate District's school calendar will prevail. Non-working days will not in any case exceed nor be less than those of the Ingham Intermediate District's calendar. "Non-working days" include officially recognized holidays, vacation periods, and days before and after the official school year.

SECTION 4. EMPLOYEE SUBSTITUTES. (Classification 1-150). An employee shall not be required to substitute for another employee for a period exceeding five (5) consecutive working days unless by mutual consent.

SECTION 5. SIMULTANEOUS RESPONSIBILITY. An employee shall not be required to assume simultaneous responsibility for a classroom in addition to his/her regular assignment, except in emergency situations.

In the case of an emergency situation the employee shall be relieved of such simultaneous responsibility as soon as possible.

The Simultaneous Responsibility Committee (SRC), consisting of professionals and Board representatives, have adopted the following:

- A. IIPSA classroom teachers will no longer be asked to cover classrooms other than their own for any extended period of time and Student Support Services and Early On 1-150 staff will not be asked to take on case load of fellow workers, such as to cover for an extended illness.
- B. The following steps will be taken if a teacher is absent:

1. A teacher substitute will be secured.
 2. If not, then, a paraprofessional/instructional assistant who is qualified to substitute teach or be a substitute teacher is secured.
 3. If not, then an IIPSA member substitutes for the absent teachers.
- C. If an IIPSA member substitutes for an absent teacher, simultaneous responsibility (SR) is in place. The IIPSA member will receive compensation in the form of accrued SR time and/or additional pay for performing simultaneous responsibility. This compensation is in addition to the IIPSA member's regular pay. The rate of pay refers to the teacher substitute rate for either a half day (three hours) or a full day (seven hours).
1. The half-day pay would start when someone works for at least an hour up to a half day.
 2. A full day rate would be for doing the duties for more than a half day and up to a full day.
 3. Accrued SR time may be used for time off, with supervisor approval. No more than two full days of SR time may be used in this manner in one year. For any additional accrued time, see (4) below.
 4. If accrued SR time for substituting is left at the end of the school year, the IIPSA member may either roll it into their sick time or be paid at the substitute teacher rate.
- D. In administering the Simultaneous Responsibility program, the following examples may be used as standards.
1. Support Staff IIPSA Member Substituting for Classroom IIPSA Member. When an IIPSA member substitutes for another IIPSA member, this would be paid at the substitute teacher rate and the rules concerning how they would be paid are outlined in (C) above.
 2. IIPSA Staff Substituting for an Administrator While Still Performing Their Normal Duties. When an

IIPSA staff member performs duties for an Administrator when the Administrator is off campus or when the IIPSA staff member is specifically asked to do administrative duties by the Administrator, the IIPSA staff member will be paid at the substitute teacher rate and the rules concerning how they would be paid are outlined in (C) above.

3. When a Substitute is Hired for an IIPSA Staff Member for Their Classroom and They are Asked to Perform Administrative Duties. The IIPSA staff member would be paid an additional half-day at the substitute rate for working as an Administrator for a full day.
4. When a Substitute is Hired for an IIPSA Staff Member for Their Classroom and They are Asked to Perform Administrative Duties for One-Half Day. When an IIPSA staff member performs duties for an Administrator for one-half day, they will receive 1.5 hours of SR time.
5. When More Than One Instructor Works with the Same Set of Students and One Instructor is Absent. This does not fall under Simultaneous Responsibility and no additional compensation is paid. Examples include Health Occupations and Cosmetology.

If additional assistance is needed due to an extended absence of one of the instructors, the affected instructor may request the need for a substitute which may not be unreasonably denied.

6. When a Student Support Services and Early On 1-150 staff is absent for an extended period of time and other staff in the same discipline have a less than full Caseload. The Administrator will meet with Association representatives to develop a plan.

SECTION 6. SHOP RIGHT. In consideration of the compensation and other benefits of employment provided to its employees, the Board of Education of the Ingham Intermediate School District retains ownership of any invention or materials produced by the employee, at the Board's direction and during employment by the Board. The employee will, at any time at the request of said Ingham Intermediate School District, at the expense of the District, execute any

patent, copyright, trade name, or trademark papers as well as other such papers that said Ingham Intermediate School District may consider necessary or helpful in the prosecution of applications thereon or which may relate to any litigation or controversy in connection therewith. This Section shall not apply to any invention or materials produced by an employee on his/her own time and which is not produced under the direction or supervision of the Board or its staff.

SECTION 7. SUBSTITUTE FOR CONFERENCES. No regularly scheduled parent conferences and/or IEP meetings shall be scheduled during the employee's student contact hours unless coverage is obtained for the classroom.

SECTION 8. DECENTRALIZATION. The Board will follow the decentralization provisions of Sections 380.1742 and 380.1743 of the Michigan Revised School Code if they are still in existence.

SECTION 9. JOB SECURITY/CONTRACTING. IIPSA recognizes the sole right of the Board to contract out bargaining unit work. However, the Board agrees that no instructional employee shall be laid off as a result of work being contracted out. The Board further agrees to notify IIPSA when bargaining unit work is being contracted out.

SECTION 10. NON-TEACHING PROFESSIONAL STAFF VACANCIES. The Board agrees not to staff any non-teaching professional staff vacancies with substitute employee(s) not covered by this collective bargaining agreement if said vacancy lasts ninety (90) calendar days or more and qualified bargaining unit employees are available to perform the work.

SECTION 11. CASELOAD/CLASSLOAD. The District is committed to maintaining caseloads within the Guidelines of the Michigan Department of Education. Guidelines published by the Michigan Department of Education for the operation of various programs will be considered in developing the staffing patterns for the district and be implemented to the extent practical and possible. The District will seek to ensure that all caseloads are balanced within a specific program area. Both parties understand that fluctuations in caseloads will occur. However, if an overload occurs for more than 10 days the supervisor will meet with the impacted employee to determine how the caseload will be brought back in line with the guidelines. The supervisor will do the following to alleviate the overload:

- 1) Shift students to balance the loads where practical; or
- 2) Bring in a substitute to alleviate the overload.

SECTION 12. ADDITIONAL ASSIGNMENTS. Excluding Early On Staff whose calendar is subject to Letter of Agreement 2011-08, any non-teaching assignments in addition to the normal working schedule during the regular school year or summer program shall be voluntary.

SECTION 13. EMERGENCY ASSIGNMENT. Except in emergency situations, no person shall be assigned to a non-teaching assignment outside the professional discipline for which he/she is qualified.

SECTION 14. DUAL EMPLOYMENT. Concurrent employment (self-employment or working for another employer) or study during the employee's regularly scheduled work day is strictly forbidden by this Agreement.

SECTION 15. DAMAGE REIMBURSEMENT. Damage to the personal property of an employee as the direct result of student contact will be reimbursed in accordance with Board policy #3934.00, dated February 18, 1986, or as subsequently amended.

SECTION 16. EMPLOYEES' PROTECTION. Any case of employment related assault or battery upon a teacher shall be immediately reported to the teacher's supervisor or in the supervisor's absence, the next level of supervision available and the Employee Protection Committee. The Employee Protection Committee shall develop policies and procedures for reporting and recording assaultive behavior of students to the appropriate agency, such as police agency, protective services, et al. The Employee Protection Committee (EPC) will be utilized to review and develop emergency health and safety processes, protocols and procedures for crisis team, staff, and students including student medical protocols. The EPC will meet (generally outside of student contact time) to continue data-driven decision making and on-going problem solving on issues mutually agreed to be within the scope of the EPC.

Upon written request, the Board will provide independent legal counsel of its choice to advise the teacher of his/her rights and obligations in connection with handling of the incident by law enforcement, judicial authorities and other related rights.

SECTION 17. LOCAL DISTRICTS' FACILITIES. When Intermediate District staff assigned to work in local districts believe their assigned work space is not conducive to pupil learning, they shall advise their immediate supervisor about the problem. He/she shall visit and view such facility within ten (10) days of being informed of the problem. The supervisor shall seek to resolve the situation with local district administrators. If this does not correct the problem, the supervisor will turn the problem over to the unit/program cabinet member. If this does not resolve the problem, the Association may seek a special conference through the Assistant Superintendent of Human Resources identifying the problem area in advance so that the necessary Assistant Superintendent/Department Head of the area will be in attendance. The Assistant Superintendent of Human Resources will notify the Association within 10 days of the special conference as to what action has or will be taken. In the event the problem remains unresolved, the Superintendent may be contacted for resolution of the problem. This section shall not be subject to the grievance procedure.

SECTION 18. ADMINISTERING MEDICINE. When it is necessary to administer medicine to students during school hours, it shall be administered in accordance with Board Policy #8534, dated April 19, 1983, or as subsequently amended.

SECTION 19. CONSULTATION WITH THE ASSOCIATION. In the event that the Board determines that multiple layoffs or transfers of non-teaching professional staff are necessary as a result of LRE the administration agrees to inform the Association and to meet

with them prior to effectuating the layoffs or transfers to discuss the alternatives and ways to assist the laid off or transferred staff.

SECTION 20. PROFESSIONAL MEMBERSHIPS. The District supports the professional growth of its employees by providing up to One Hundred Dollars (\$100.00) to cover the amount of dues required for membership in professional organizations, provided, that no employees shall lose existing professional growth programs that currently exceed the One Hundred Dollar (\$100.00) limit. Employees who desire to participate in membership of an organization must have the approval of their immediate supervisor. An organization for which an employee seeks membership should relate directly to his/her performance responsibilities, and, as such, provide support and opportunities for strengthening that employee's professional skills. Employees should anticipate their membership costs in budget planning, since approval may depend upon the availability of funds.

SECTION 21. EMPLOYEE ASSISTANCE PROGRAM. The District offers employees and their family members counseling services to help resolve life management issues before they seriously affect personal life and job performance. These services are available to employees and immediate family members without cost. However, where additional services from an outside referral source may be required, the employee would be responsible for any cost not covered by health insurance. All matters are confidential, and no information regarding participation in this counseling is entered into personnel files. The Board will take into consideration the common calendar when rescheduling these days. DAILY TRAVEL MILEAGE REIMBURSEMENT

SECTION 1. REIMBURSEMENT CONDITIONS. Employees shall be paid mileage reimbursement as provided in Section 3, when required to furnish their own transportation for travel necessary to the performance of their job responsibilities. Employees will not be reimbursed for travel from their homes to their place of employment.

SECTION 2. COMPUTATION. For travel within Ingham ISD, reimbursable mileage will be computed on the basis of actual miles logged from employee's first workstop to any other assigned workstop. Each employee shall be responsible for his/her own transportation between home and first workstop of the day and last workstop of the day and home.

For travel outside Ingham ISD, reimbursable mileage will be computed on the basis of actual miles logged, less normal commute miles. Commute miles are the miles between home and the otherwise scheduled first workstop of the day, and between home and the otherwise scheduled last workstop of the day.

EXAMPLES:

Example 1. A staff member is assigned to work in Williamston on Monday and Tuesday and Stockbridge on Wednesday to Friday. The staff member lives in East Lansing and travels to and from his/her place of assignment each day. No mileage reimbursement is allowed.

Example 2. A staff member is assigned to work in Williamston on Monday and Tuesday and Stockbridge on Wednesday to Friday. The staff member lives in East Lansing and travels to and from his/her place of assignment each day except on Tuesday. The staff member travels to his/her place of assignment on Tuesday. The staff member is required to attend a staff meeting at the IISD, Thorburn Education Center at 2:00 p.m. Mileage from Williamston to the IISD is allowed for reimbursement. The staff member then returns home. No mileage is allowed from the TEC to home because the TEC is the last workstop of the day.

Example 3. A staff member is assigned to work in Okemos. The staff member lives in Webberville. Mileage to and from home to Okemos is not reimbursable. However, the staff member is required to attend a staff meeting at the IISD, Thorburn Education Center at 2:00 p.m. Mileage from Okemos to the IISD is allowed for reimbursement. The staff member then returns home. No mileage is allowed from the TEC to home because the TEC is the last workstop of the day.

Example 4. A staff member is assigned to work in Okemos. The staff member lives in Webberville. The staff member must travel 80 miles from home to Grand Rapids to attend a conference. The staff member's regular commute (Webberville to Okemos) is 15 miles. The staff member is eligible for reimbursement of 65 miles each way, which is the total miles of 80 less 15 miles of home to regular first assigned workstop.

Example 5. A staff member lives in Haslett and is assigned to work at the TEC. The staff member works at the TEC in the morning, then travels to the Kellogg Center to attend a meeting which lasts through the end of the day. The staff member then travels home. Mileage reimbursement is from the first workstop, the TEC, to the 2nd workstop, the Kellogg Center. Mileage from the Kellogg Center to home is not reimbursable because the Kellogg Center is the last workstop of the day.

Example 6. A staff member lives in Haslett and is assigned to work at the TEC. The staff member works at the TEC in the morning, then travels to the Kellogg Center to attend a meeting which lasts through mid-day, then returns to the TEC to work the remainder of the day. The staff member then travels home. Mileage is reimbursable from the first workstop, the TEC, to the 2nd workstop, the Kellogg Center. Mileage is also reimbursable from the 2nd workstop, the Kellogg Center, to the 3rd workstop, the TEC. The TEC is the last workstop of the day and mileage home is not reimbursable.

Example 7. A staff member lives in Perry and is assigned to Okemos on Mondays, Wednesdays and Fridays and at White Pine Academy in Leslie on Tuesdays and Thursdays. On Wednesday afternoon the staff member attends an IEP at White Pine. Mileage is reimbursable from Okemos to White Pine in Leslie. Mileage from White Pine to home is not reimbursable since White Pine is the last workstop of the day.

Example 8. A staff member lives in Perry and is assigned to Okemos on Mondays, Wednesdays and Fridays and at White Pine Academy in Leslie on Tuesdays and Thursdays. On Wednesday morning the staff works in Okemos as scheduled, but in the afternoon the staff member attends an IEP at White Pine. Mileage is reimbursable from Okemos to White Pine. The staff member then attends a meeting at Mason High School. Mileage is reimbursable from White Pine, the 2nd workstop, to Mason High School, the third workstop. Mileage after leaving Mason High School is not reimbursable since it is the last workstop of the day

SECTION 3. REIMBURSEMENT RATE. The mileage reimbursement rate shall be the current IRS allowance.

SECTION 4. TRANSPORTATION OF OTHERS. The District does not provide automobile insurance for bargaining unit members for their personal vehicles during the course of their employment. No bargaining unit member shall transport students or parents of students in their personal vehicle during the course of their employment.

SECTION 6. OUT OF STATE TRIPS. On out-of-state trips, the decision whether to authorize travel by private automobile, air or other means will be made based on the most economical means for the School District, taking the employee's time into consideration. If travel by private automobile is authorized, the amount reimbursed shall not exceed the cost of regular airfare, coach class, to the same destination. Should travel to a conference or other school district business be combined with a vacation or other leave, the amount reimbursed shall be based on the mileage to the conference site or location of such school district business via the most public direct road, and the amount reimbursed shall not exceed the cost of regular airfare, coach class, to the same destination.

All on-the-job injuries, no matter how slight, must be reported to the Department of Human Resources by the injured employee within a reasonable time after the injury. Injuries not reported within three

months are not subject to later claim. Employees have six (6) months to file claim against a properly reported injury. Under the law, Ingham Intermediate may specify the specific doctor to be used for treatment during the first sixty (60) days of treatment. All claims and inquiries should be directed to the Department of Human Resources.

SECTION 9. SELECTION OF CARRIERS. Except as qualified elsewhere in this Agreement, the Board reserves the right to select all insurance carriers, after notice to and consultation with the Association to change the insurance carrier(s). However, the Board, in selecting the carrier, will provide benefits equivalent to those contained and enumerated herein.

SECTION 10. LIMITATION/ACCESS/REPLACEMENT. The benefits provided are subject to the policy of the insurance carrier. The Board's liability is limited to the payment of premiums as specified above. The Association will have access to the policies or the equivalent information received from the insurance carrier(s) regarding the insurance coverage referred to in this Agreement. In the event the benefits negotiated herein are not available, the Board agrees to immediately notify the Association and enter into immediate collective bargaining for the specific purpose of replacing said benefit(s).

SECTION 11. HOSPITALIZATION COVERAGE ALTERNATIVE.

- A. Employees choosing not to take health insurance will be entitled to a monthly payment of One Hundred Dollars (\$100.00) for single coverage or One Hundred Fifty Dollars (\$150.00) for two person or full family, for which the employee is otherwise eligible at the time of election (full family, two-person or single coverage).

Employees may select an option, via payroll deduction, as those options are set forth in Article 4, Section 8, of this Agreement.

- B. Employees losing medical coverage from another source shall notify the Department of Human Resources within 30 days so that the employee and dependents, where appropriate, can be re-enrolled in the health care plan beginning the first day of the month in which alternative insurance is lost.

SECTION 12. FLEXIBLE SPENDING ACCOUNT. Professionals have the option of having pre-tax dollars deducted from their earnings for reimbursement of certain medical and dependent care expenses (see Article 4, Section 8[E]) to a maximum of \$2,600 or \$5,000 respectively on an annual basis. (see non-contract language for maximum amounts) The Payroll/Benefits Office will provide each employee with the information packet which is intended to describe the benefits provided by the Board of Education, and certain other employee information and is subject to change by the Board of Education in accord with Section 125 of the Internal Revenue Service Code.

Employees are urged to plan appropriately for FSA deductions, per IRS Code excess deductions in individual accounts at the end of a plan year may not be returned to individuals.

SECTION 13. OPTIONAL LIFE INSURANCE. Employees have the following optional insurance benefits available to them at their expense:

- A. Additional coverage on the employee.
- B. Coverage of spouse and/or dependent children.
- C. Upon termination, conversion of the District-paid term insurance - up to the face amount of the policy - without the need to provide evidence of insurability. This must be initiated by the employee within thirty-one (31) days of termination.

SECTION 14. PHYSICAL EXAMINATIONS. The Board of Education supports the participation of its employees in systematic physical examinations by covering expenses which might be accrued beyond health insurance coverage. This is applicable in the following manner:

Up to \$150 coverage for an employee's physical examination

The amount to be reimbursed is the actual cost of the employee's examination, including related test procedures. Employees will take advantage of any Board-provided insurance benefits available to cover full or partial costs of the examination before submitting the remaining balance (if any) for reimbursement. Reimbursement will be made upon submission of a receipted bill for the examination according to the Board's regular payment schedule for such billings.

The examination may be conducted by any licensed physician (M.D. or D.O.) selected by the employee. It is recommended that the employee be examined by his/her regular physician.

Employees are not required to disclose the results of the examination, subject to Article 8, Section 2(F); however, employees are encouraged to frankly discuss health conditions which may affect their ability to satisfactorily perform their work with their supervisor, so that consideration may be given to conditions in determining assignments and work load and in evaluating performance.

Effective January 1, 1990, the cost of employer paid physicals will become taxable income. Costs reimbursed by the District may be included on the employees' W-2 tax forms.

SECTION 15. INSURANCE BENEFITS FOR REGULAR PART-TIME EMPLOYEES. Regular part-time employees working half-time or more are eligible for all the Employer-paid insurance programs provided for full-time employees in the same employee

group, except that the District health care insurance premium contribution will be calculated by the Employer and employees pro-rata, based on the ratio of the employee's regular weekly hours to a full work week.

- A. For purposes of pro-ration under this Section only:
 - i. Full-time is defined as thirty-five (35) or more hours per week.
 - ii. Half-time is defined as seventeen and one-half (17½) hours per week.

- B. Examples:
 - i. Employee regularly works twenty (20) hours per week. Full-time is defined as thirty-five (35) hours per week.

20/35 = .571, therefore the Employer pays 57.1% of the District health care insurance premium contribution , and the employee pays 42.9%.
 - ii. Employee regularly works thirty (30) hours per week.

30/35 = .857, therefore the Employer pays 85.7% of the District health care insurance premium contribution, and the employee pays 14.3%.

- C. This definition of eligibility is subject to the terms and conditions of the applicable master insurance policy between the carrier and the Employer. No employee is insured unless he/she meets the requirements of the policy. The Employer's liability in case of error is limited to the payment of any required premiums.

- D. Regular part-time employees working less than half-time are not eligible for insurance benefits.

- E. For purposes of this Section, the number of hours counted are those which the employee is regularly scheduled to work. Additional hours worked on an occasional basis (i.e., reported by time sheets) will not be counted.

SECTION 9. PAY SCHEDULE. (Classification 151 and above).

- A. Employees who work more than forty-two (42) weeks shall be on a twenty-six (26) week pay schedule. Employees working for a forty-two (42) week work year or less shall have the option of selecting either twenty-one (21) or twenty-six (26) week pay schedule. Such selection shall be made at the time of employment for new hires. Once a selection has been made, the employee's pay schedule will remain the same, from year to year unless the employee provides written request for change of pay schedule to the Payroll/Benefits Office prior to the end of the employee's scheduled work year. Such change will occur in the following scheduled work year.

- B. Employees who are on a forty-two (42) week work year or less and who have selected the twenty-six (26) week pay schedule may choose to receive their accumulated summer pay in a lump sum on the last payroll of the work year, provided they have notified the

payroll department in writing of their choice not later than May 15 of the current year.

- C. This Section may be modified in a way to help employees, consistent with the existing District Practice.

SECTION 10. SALARY SCHEDULE MOVEMENT. (Classification 151 and above). A salary schedule has been established for each pay grade and is attached to and made a part of this Agreement as Appendix O. The schedule establishes regular intervals for pay rate increases until the top rate for the job is reached. Employees having more than six (6) months experience on a step as of July 1 are eligible for advancement. Employees normally receive these increases automatically provided their work is satisfactory. If an employee is denied an increase, he/she will be told in what respect his/her work is unsatisfactory and what he/she is expected to do to correct it.

SECTION 11. HORIZONTAL MOVEMENT ON THE SALARY SCHEDULE. To qualify for horizontal movement on the salary schedule, the employee must meet the following criteria (see also Article 28, Section 3, Degree Advancement):

- A. **DEGREE QUALIFICATIONS.** To qualify for a bachelors, masters, or doctoral degree salary levels, an employee must present evidence of having completed the earned degree directly related to his/her work assignment from an approved college or university.
- B. **NON-DEGREE + QUALIFICATIONS.** To qualify for non-degree +, an employee must present evidence of having successfully completed a minimum of 90 term hours (60 semester hours) directly related to his/her work assignment at an approved college or university following the attainment of a high school diploma.
- C. **BACHELORS DEGREE + QUALIFICATIONS.** To qualify for a Bachelors Degree +, an employee must present evidence of having successfully completed a minimum of 23 term hours (15 semester hours) directly related to his/her work assignment following the attainment of the Bachelors Degree.
- D. **MASTERS DEGREE + QUALIFICATIONS.** To qualify for a Masters Degree +, an employee must present evidence of having successfully completed a minimum of 45 term hours (30 semester hours) directly related to his/her work assignment following the attainment of the Masters Degree.
- E. The Assistant Superintendent of Human Resources may review the qualifications of a requesting employee to determine whether or not they are eligible to receive a horizontal movement on the salary schedule for a degree qualification which is related to his/her work

assignment. The decision of the Assistant Superintendent of Human Resources shall be final.

SECTION 12. INITIAL PLACEMENT ON THE SALARY SCHEDULE. To qualify for the ND+, BA, BA+, MA, MA+, or doctoral degree salary level, the employee must present evidence of having successfully completed an earned degree or credits from an approved college or university. The credits and/or degree must be directly related to the work assignment of the employee. The Assistant Superintendent of Human Resources may review the qualifications of a requesting employee to determine whether or not they are eligible to receive a horizontal movement on the salary schedule for a degree qualification which is related to his/her work assignment. The decision of the Assistant Superintendent of Human Resources shall be final.

SECTION 13. PAID EXTRA ASSIGNMENTS/ACTIVITIES. The District agrees to pay a stipend of Seven Hundred Dollars (\$700.00) to any staff member who acts in the capacity of a student organization advisor and meets the established criteria (to be developed bilaterally). Examples of the programs include, but are not limited to: FBLA, BOEC, HOSA, Skills/USA, DECA, and Motor Sport Team.

In addition to the stipend of Seven Hundred Dollars (\$700.00), staff members who attend the State Leadership or Competition Conference shall be paid an additional stipend of Two Hundred Dollars (\$200.00). ARTICLE 30

DEFINITIONS

SECTION 1. DEFINITIONS. For the purpose of interpreting this Agreement, the following definitions apply:

AFFIRMATIVE SUPPORT: A specific plan designed to assist the employee in improving his/her performance to an acceptable level, which includes established content, process and time lines.

ASSIGNMENT: The specific location to which a non-teaching professional staff is assigned.

ATTRITION: The loss of staff through normal causes, not associated with deliberate staff reduction program. Examples of attrition include: retirement, voluntary resignations, taking of extended leaves of absence, termination for disciplinary reasons, and death.

BOARD: The term "Board" shall include its officers and members, its administrative agents and supervisory personnel.

CERTIFIED: Holding the required Michigan teaching certificate.

DEMOTE: With respect to NTPS, shall mean to reduce compensation or to transfer to a position carrying a lower salary. For teachers, this term is defined by the Michigan Teachers' Tenure Act, as amended.

DIRECTLY RELATED:

A. Regarding initial step placement, "Directly Related" means: Professional level paid experience in the same work or similar professional work which directly contributes to the skill and expertise for the position.

EX: Applicant for position as a school social worker would be given experience credit for counseling work with children or families in a private agency.

EX: Applicant for teaching position as instructor in auto body would receive experience credit for paid work experience as an auto body repairman in a repair shop.

Credit is given only for paid employment in a regular position.

Work in the following areas may not be eligible for credit:

Substitute Work
University Teaching
Experience More Than 10 Years Old
Practicum, Student Teaching
Volunteer Work
Work at Non-Professional Level
(Teacher Aide, PT Assistant, Health Aide, etc.)

- B. Regarding professional development, "Directly Related" means: Leading to acquisition of knowledge and the development of skills, methods and attitudes which pertain and apply to the work assignment of the employee.

DISCHARGE: Involuntary termination of employment.

EMERGENCY: An "Emergency" is an unforeseen happening needing an immediate solution.

EMPLOYEE: The term "employee" when used in this Agreement shall refer to all employees represented by the Association in the bargaining or negotiation unit, unless otherwise defined within the context of the Agreement.

GRANT PROGRAM: A program funded from sources other than local taxes or state funds appropriated by the legislature. Included are federally funded programs (both directly funded from the federal level and those administered from the state level) and programs funded from private sources (foundations, etc.). Typical characteristics of grant programs are that they require an application and approval for funding, and that the funding is for a limited period of time, and restricted as to purpose.

INSURANCE GROUP RATE: Shall be the cost of insurance to the District charged to the employee on a monthly basis. For cost out purposes one (1) month equals 1/12 of a year and twenty (20) working days equals one (1) month (aka Board group rates).

INCUMBENT: The employee currently assigned to a position.

INVOLUNTARY TRANSFER: A change of job which is initiated by the Board.

JOB: A specific, defined and described set of tasks or duties performed by one or more employees.

JOB CATEGORY: Synonymous with job classification.

JOB CLASSIFICATION: The categories of jobs defined in Article 1, Section 1.

LAYOFF: Temporary and sometimes indefinite separation from work due to factors over which the non-teaching professional staff employee has no control. Layoff differs from discharge in that the non-teaching employee has rights to be recalled as provided herein.

LICENSED: Holding the appropriate license required to practice one's profession or trade. Licensure is analogous to teacher certification for many non-teaching jobs and some vocational instructor jobs.

NON-GRANT PROGRAM: Any program funded from local taxes or state funds appropriated by the legislature. Typically, these differ from grant programs in that they do not require prior applications or approvals (more often the funding is distributed by formula or on a cost reimbursement basis), and the assumption is that these are continuing programs, subject to funding decisions by the legislature, State Department of Education and/or the Board of Education.

NON-TEACHING PROFESSIONAL STAFF: Any bargaining unit member not employed in classifications designated as Teacher within Article 1, Section 8.

POSITION: The tasks or duties assigned to an individual employee. An organization always has as many positions as it has employees plus vacant positions. A position differs from a job in that there may be multiple positions under a single job description. An example would be if the school district employed ten school psychologists, all performing similar duties, there would be one job but ten positions.

PRE-SCHEDULED APPOINTMENT: Any medical or dental appointment made prior to the day of the appointment and not for a medical emergency or sudden illness. Examples would be for periodically scheduled examinations or check-ups or, examinations or treatment related to a continuing illness or health condition.

PROBATIONARY EMPLOYEE: An employee who is in one of the following categories:

- A. The probationary period for an employee who is employed in a tenure track position, shall be defined by the Michigan Teacher's Tenure Act (P.A. 4 of 1937) as amended.
- B. The probationary period for an employee who is employed in a non tenure track position, shall be two (2) calendar years from the date of hire.

QUALIFIED: Meeting the standard established by the Board for a specific job. These standards must at least equal the minimum standards established by statute, state or federal administrative rules or grant requirements, but may exceed them at the Board's discretion. Qualifications may be viewed as on two levels: (1) minimum requirements, and (2) desired requirements, where these have been established over and above minimums.

SENIORITY: An employee's status based on length of continuous service as defined in Article 11, Section 3.

TENURED: Holding rights to employment as defined in the Michigan Teachers' Tenure Act (PA 4 of 1937) as amended.

TRANSFER: The change of job initiated by the employee or the Board.

VOLUNTARY ALTERNATIVES TO LAYOFF: Include, but are not necessarily limited to, any of the following which may be appropriately offered to and selected by eligible non-teaching professional staff employees: opportunities for job sharing, voluntary leaves, early retirement, and/or sabbatical leaves.

VOLUNTARY TRANSFER: A change of job which has been requested by either the non-teaching professional staff employee or the Board and approved as provided in Article 10.

ARTICLE 31

- B. Mentor: a tenured master teacher, a licensed master practitioner with a minimum of five (5) years of experience, or a qualified professional who voluntarily agrees to assist and support a colleague within the context of an on-going, caring relationship and has demonstrated an ability to work with colleagues.

SECTION 3. DUTIES OF THE MENTOR.

The mentor shall conduct activities which may include, but not be limited to, the following:

- A. Assist the protégé in a meaningful orientation of the program and School District.
- B. Serve as a resource person to the protégé.
- C. Convene regularly scheduled coaching/strategy sessions related to the development of the protégé's skill repertoire. Session topics by way of example may include but not be limited to such matters as:
 - i. Communicating appropriately with parents regarding student/client progress and behavior.

SECTION 4. QUALIFICATION OF THE MENTOR. A protégé's primary mentor shall be an IIPSA member who either has acquired teacher tenure, is a licensed Professional or a Professional in Classification 151 and above.

For new employees eligible for tenure, the mentor shall have five (5) years successful experience as a teacher. When mentors are not available from existing ranks of IIPSA staff, the District may assign mentors from other sources (retired teachers and staff members, University staff, etc.). Other mentors may be assigned in addition to the primary mentor and such mentors may come from outside the bargaining unit to supplement the mentoring experience (from business and industry, for example).

Only those IIPSA members who have acquired teacher tenure or are licensed Professionals or a Professional in Classification 151 and above, and have expressed a voluntary willingness to serve as a mentor to the IIPSA President and the Assistant Superintendent for Human Resources shall be available for assignment as a mentor.

SECTION 5. ASSIGNMENT OF THE MENTOR.

- A. **PROCESS.** The IIPSA President or designee and Assistant Superintendent for Human Resources will agree on a pool of available/appropriate mentors after IIPSA members who are interested in becoming mentors submit their letter of interest to both the Assistant Superintendent of Human Resources and the IIPSA President. This will be an ongoing list. It shall then be the responsibility of the Program Administrator to appoint and inform the mentors and protégés and Human Resources of their assignments within the first two weeks of employment.

By the 1st of May each year, Human Resources will send a letter to all IIPSA staff currently not in the pool inviting them to serve as mentors. IIPSA staff must respond in writing to the IIPSA President and Assistant Superintendent for Human Resources if they are interested in serving as a mentor or continuing as a mentor by the 1st of September. The pool may be expanded as needed by agreement between the IIPSA President and the Assistant Superintendent for Human Resources. This pool shall be used to fill mentor needs across the District.

- B. **LENGTH OF MENTORING EXPERIENCE.** The mentor assignment shall be for the duration of one year.

Each beginning teacher shall be assigned a mentor teacher annually during the first three (3) years of the probationary teacher's employment as a teacher. At the end of each year the assignments shall be re-evaluated by the Program Administrator and IIPSA to determine what skill-match might be needed for each successive year for tenure eligible new staff to provide the broadest experience necessary for each protégé.

In the case of a first year employee who has attained tenure in another Michigan school district or whose credentials are governed by regulations outside of tenure law, the length of the mentoring experience shall be one (1) year, except as described in Section 2(C) above.

The mentor may request to be relieved of the mentoring responsibility and must inform both the Program Administrator and IIPSA in writing of their request at least two (2) weeks prior to the anticipated end of the mentoring relationship.

The purpose of the mentor assignment is to provide a peer who can offer assistance, resources, and information in a non-threatening collegial fashion. Consequently, both the protégé and the mentor need to be comfortable with the mentor assignment and may request an alternative assignment. The protégé shall be assigned to one mentor at a time unless the protégé specifically requests more than one mentor or a change in mentors. The protégé shall inform the appropriate IIPSA representative of concerns with the mentoring relationship. The Program Administrator shall be informed immediately and work towards resolving those concerns. A new mentor may be assigned.

- C. **ADDITIONAL MENTORS OR PROTÉGÉS.** The protégé shall be assigned to one mentor at a time unless the protégé specifically requests more than one mentor.

While it is not advised, mentors may under special circumstances have more than one protégé in one year. Under no circumstances will more than two protégés be assigned to one mentor in a given year.

SECTION 6. CONFIDENTIALITY OF THE MENTOR/PROTÉGÉ RELATIONSHIP. The mentor/protégé relationship shall be confidential and shall not, in any fashion, be a matter included in the evaluation of the protégé or the mentor.

The mentor shall provide the program administrator with regular updates regarding the progress of the mentoring relationship, and upon the request of the administrator, make recommendations regarding professional development for the new staff.

This does not relieve the mentor from any other reporting responsibilities as defined by law.

SECTION 7. FACILITATING MENTOR/PROTÉGÉ SUPPORT ACTIVITY. Upon the request of the mentor and protégé with the approval of the Program Administrator, the District may provide for the release of the mentor and/or protégé from their regularly scheduled duties when such release is required for the purpose of conducting observations, modeling best practice, and/or other support activities that are to be scheduled while students are in session.

SECTION 8. LOG OF MENTORING ACTIVITY. For purposes of maintaining a record of mentor/protégé support activity, the mentor shall be responsible for maintaining and submitting to the Program Administrator a copy of the mentor/protégé activity log. This must be submitted within seven (7) calendar days of the last scheduled day of work during the academic year or seven (7) calendar days following the completion of the one year mentoring experience.

SECTION 9. SUGGESTED HOURS. Hours of mentoring support activity shall be recorded on the log of mentor/protégé support activity. This record shall include activities that occur both during and outside of the regular work day. It is suggested that the following hours be used as a guideline when planning mentoring activities outside of the regular work day:

1 st year:	24 hours
2 nd year:	18 hours
3 rd year:	15 hours

SECTION 10. COMPENSATION. Mentors will be compensated at the rate of Five Hundred Seventy Five (\$575.00) Dollars per year for one mentor relationship for time spent as hours which shall occur before, during and/or after the mentor's scheduled work day. Payment will be received in June of each year, after receipt of the approved mentor/protégé activity log, submitted within seven (7) calendar days of the last scheduled day of work during the academic year or seven (7) calendar days following the completion of the one year mentoring experience or prorated to reflect an assignment that was less than one year in length.

Any mileage shall be reimbursed at the current IRS rate during the time of the assignment. This shall be submitted monthly.

In addition, the mentor may earn up to 1 SB-CEU per year for serving as a mentor.

SECTION 11. TRAINING. In order to be eligible for a mentor assignment, staff shall attend training sessions when required by the Assistant Superintendent of Human Resources.

Training will be offered two times each year. Training specific to working with new teachers eligible for tenure will be offered within the first (6) weeks of the academic year.

SECTION 12. CONFLICT RESOLUTION. Any disputes and/or conflicts which arise concerning this Article shall be submitted to the Assistant Superintendent for Human Resources.

SECTION 13. LOG OF MENTORING ACTIVITY. For purposes of maintaining a record of mentor/protégé support activity, the mentor shall be responsible for maintaining and submitting to the Program Administrator a copy of the Mentor/Protégé Support Activity Log, as set forth below. This shall be submitted within seven (7) calendar days of the last scheduled day of work during the academic year or seven (7) calendar days following the completion of the one year mentoring experience.

PROCEDURE FOR CLASSIFICATION REVIEW

SECTION 1. INITIATION OF REVIEW. Reclassification of an existing job can be initiated by the Employer or the employee. Employees will be limited to one reclassification request per year unless the job description is revised during the year.

SECTION 2. PROCEDURE.

- A. If a supervisor and/or employee believe the duties of the position have changed, so that the position may not correctly be placed under the Wage and Compensation System, either party may seek a review of the position in writing to the Assistant Superintendent of Human Resources with a copy to the Association.

- B. The employee and supervisor will update the General Summary, Duties and/or Responsibilities (where appropriate) of the job description. Once there is an agreement between the supervisor and the employee of the changes to the job description, it will be submitted to the unit/program cabinet member for review. The completed job description will be forwarded to the next step of this procedure within fifteen (15) working days from the date of the written request to seek classification review.

If there is no agreement between the supervisor and the employee of the changes to the job description, the employee may opt to proceed to the next level if he/she so desires.

The unit/program cabinet member, the supervisor, the IIPSA President or designee, the employee and the Assistant Superintendent of Human Resources shall review both job descriptions in accord with the Wage and Compensation Plan.

The Assistant Superintendent of Human Resources will review the revised job description and make a decision within fifteen (15) working days on an appropriate grade placement pursuant to the Wage and Compensation Plan. The decision of the Assistant Superintendent of Human Resources will be final and will set forth the point factors assigned to the job and the reasons therefore.

- C. The decision will be reported to the incumbent in the position and the Association President or designee. If the decision will result in an upgrade of the position, the requested upgrade will be taken to the Board of Education for approval and will be implemented as of the first pay period after the initial request for reclassification.

review was made in (A) above. If the review determines that the position is overclassified, no action will be taken.

- D. If at any step in the process the scheduled time frame cannot be met by the responding party for good reason, an extension of not more than one equal time period can be utilized by informing the incumbent, the District and the Association, as applicable.

SECTION 3. COMPENSATION SYSTEM TEST. The ultimate test of a good compensation system is that there will be perceived equity; that is, that the employee whose wages and benefits are regulated by the system will see themselves as being placed in fair and equal pay relationships with others. There are two kinds of equity; internal equity looks to the relationship in pay between people doing like work in different departments or divisions within the organization, while external equity looks to the relationship with other organizations' rates of pay for like work.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

"The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

***Special hours of service eligibility requirements apply to airline flight crew employees.**

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and

a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.

LETTER OF AGREEMENT 2005-14

This LETTER OF AGREEMENT, entered into by the Board of Education of the Ingham Intermediate School District in the County of Ingham, Michigan, hereinafter called the "Board," and the Ingham Intermediate Professional Staff Association, hereinafter called the "Association," hereby agree as follows:

WHEREAS, Federal Law was enacted concerning privacy regulations under Title I of the Health Insurance Portability and Accountability Act (HIPAA) which was intended to protect health insurance coverage opportunities for employees and their dependents in the case of job change or job loss and particularly where the covered individual may have a pre-existing condition; and

WHEREAS, Federal Law was extended to be applicable to Title II, effective April 2003, which requires the United States Department of Health and Human Services (HHH) to establish, among other things, standards for the security and privacy of "individually identifiable health information"; and

WHEREAS, the Federal Department of Health and Human Services has so far declined to issue any standards or guidelines on the application of HIPAA to school districts; and

WHEREAS, professional staff have questioned whether they were either violating HIPAA and/or the Family Educational Rights and Privacy Act (FERPA) when transmitting certain information into cyberspace via their District-issued palm pilots to an entity outside of the school district concerning Medicaid information; and

WHEREAS, the Board, through its administrative staff, has sought several legal opinions which are on file with the District addressing such issues as "must School Districts

comply with FERPA or with HIPAA with regard to the privacy of educational records," and "when do certain HIPAA rules apply to School Districts"; and

WHEREAS, the Board representatives have shared all legal opinions received with the Association; and

WHEREAS, based on the legal opinions currently received, and absent any guidance on the application of HIPAA to school districts from the Federal Department of Health and Human Services, the Board and the Association agree as follows:

1. HIPAA security standards apply when school districts submit electronic information to an entity outside of the school district; e.g., electronic submission of claims to the State Medicaid agency for reimbursement.

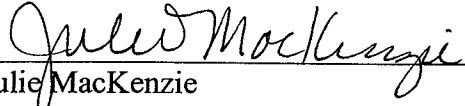

2. The Ingham Intermediate School District does not directly submit claims for Medicaid reimbursement, but contracts with a vendor to submit Medicaid claims, on its behalf; therefore, the HIPAA "transaction standards" apply to the vendor, Public Consulting Group (PCG) and not to Ingham, itself.

3. Public Consulting Group (PCG) underwent a certification and testing process with the Michigan State Medicaid Agency, and is an approved, HIPAA certified vendor.

4. Both parties agree that this Letter of Agreement is entered into to address the issues raised by professional staff as to HIPAA compliance.

5. Both parties agree that in the event that the law is changed, modified, clarified, or if new regulations and guidelines are issued which may contradict and render this Letter of Agreement null and void, the parties will revisit this subject matter.

LETTER OF AGREEMENT 2011-08

This Agreement is between the Ingham Intermediate School District (hereinafter referred to as the "IISD") and the Ingham Intermediate Professional Staff Association (hereinafter referred to as "IIPSA").

WHEREAS, pursuant to Letter of Agreement 2011-04, the parties convened a workgroup to develop an Early On calendar; and

WHEREAS, through a collaborative process the workgroup has developed a July 1, 2012-June 30, 2013 calendar for Early On staff which, by this Letter of Agreement, the workgroup recommends to the IISD and IIPSA; and

WHEREAS, by executing this Agreement, the IISD and IIPSA adopt the workgroup's recommendations.

NOW, THEREFORE, the parties have agreed to the following:

1. The attached calendar shall be implemented for the Early On staff for July 1, 2012-June 30, 2013.

2. For the month of June, 2012, staff shall work the pre-determined seven days at end the school year (six days if year-end documentation is completed and submitted to supervisor by end of day on June 8, 2012). If staff work any additional hours during the remainder of June, 2012, it shall be for summer pay in accordance with Article 29, Section 7 of the collective bargaining agreement.

3. For this calendar, there are 7 hours in a day. In order to maintain a 185 day work year, staff are required to take a total of 39 days/273 hours of discretionary non-work time during July, 2012, August 2012 and June 2013 as well as an additional 12 days/84 hours of discretionary non-work time from September, 2012 through May, 2013. During the summer, staff should work for (1) July, 2012: 8 days/56 hours; (2) August, 2012: 8 days/56 hours; and (3) June, 2013: 9 days/63 hours (8 days/56 hours if year-end documentation is completed and submitted to supervisor by end of day on June 7, 2013.)

4. With this change in calendar, staff are to see and work with students with the same frequency throughout the calendar, regardless of the traditional school year or summer time.

5. Throughout the calendar, staff may not have more than two weeks off at a time. Staff may request an exception, which may be granted in the supervisor's discretion. Staff must work at least 3 consecutive days (21 hours) in between any two week off blocks of time.

6. Utilization of discretionary non-work hours shall be as follows:

- a. Staff must plan out utilization of discretionary non-work hours, and will lose those hours if not used during the July 1-June 30 calendar year.
- b. Staff may not take discretionary non-work hours within the 30-day count window period unless the staff member's students have been "captured" through documentation and provided to the member's supervisor.
- c. Staff should work with their teams to plan out coverage as they plan out their discretionary non-work hours.
- d. Staff must submit requests for using discretionary non-work hours at least two weeks in advance of the hours requested on regular leave slips, in accordance with Article 25, Section 2 of the collective bargaining agreement. The supervisor shall respond to the request within 72 hours of receipt. If an expedited response is desired, the staff should also email the request. If staff are unable to provide the two week notice, the staff may make the request for the time off and the supervisor will consider the request.

7. Staff will follow current guidelines in the collective bargaining agreement and from ICIT for the accrual and use of adjusted work time (AWT) with the year round calendar.

- a. A "school year" for the purposes of AWT is defined as July 1-June 30. The deadline for the submission of AWT is 7 days before June 30.
- b. For the purposes of AWT, there is 7 hours in a day and staff must work during the summer for (1) July, 2012: 8 days/56 hours; (2) August, 2012: 8 days/56 hours; and (3) June, 2013: 9 days/63 hours (8 days/56 hours if year-end documentation is completed and submitted to supervisor by end of day on June 7, 2013.)

8. Staff will be paid on a 26 week pay cycle, July to June, starting July 1, 2012. Increases or decreases in monthly employee health care insurance premium contributions resulting from open enrollment shall be adjusted beginning July 1 for staff.

9. The workgroup shall gather feedback and reconvene in December, 2012 to further discuss the calendar and make any adjustments to the 2013-2014 calendar as necessary.

10. Nothing in this Agreement shall be construed as amending or deleting any provision in the parties' collective bargaining agreement.

11. This Agreement is without precedent for any further relationship or practice between the parties.

NON-CONTRACT LANGUAGE

The following language is arranged seriatim to correspond to appropriate sections of the 2017-2020 Collective Bargaining Agreement.

NEW CLASSIFICATIONS. (Reference Article 1, Sections 1, 2, 3) The Board recognizes the Association as the exclusive bargaining agent of all professional employees employed by the Board, excepting all supervisory, managerial or executive personnel, including but not limited to the Superintendent, Deputy, Associate and/or Assistant Superintendents, Directors, Principals, Assistant Principals, Supervisors/Foremen, and all non-professional employees.

Unless specifically excluded by the exclusion clause of this Agreement, all new positions or classifications established by the Board are positions or classifications within the bargaining unit. The Employer shall establish no new classification without first affording the Association sufficient advance, written notice and information to enable the Association to meet and confer in good faith with the Employer respecting the unit placement of the new positions or classifications, and unless the same is excluded by the exclusion clause, the wages, hours and other terms and conditions of employment of the professional employees to be employed in the new positions or classifications. The Board assigns the Assistant Superintendent of the Unit in which the new position or classification is proposed the responsibility of furnishing notice to the Association President.

COMMITTEE NOTIFICATION. (Reference Article 1, Section 3) The intent of this provision is to ensure that the Association has knowledge of its members being on committees or sub-committees that are other than ad hoc short-term committees (three months duration or less). The Association will be informed of all committees/sub-committees at the beginning of the 1997-98 school year and from then on when said committees/sub-committees are formed. The supervisor who calls the committee will inform the Association President of any participation of IIPSA staff to such a committee and the anticipated duration of the committee/sub-committee. Any minutes taken at the meeting will be provided to the Association President. The Association President will contact the supervisor for any updates on the committees/sub-committees in which the Association may be interested.

GRIEVANCE PROCESS. (Reference Article 6) It is the intent of both parties to seek to resolve concerns prior to resorting to the grievance process. Staff members are encouraged to bring their concerns to their supervisors to seek solution to issues raised. The supervisors will respond as expeditiously as possible so that grievance timelines can be preserved. This provision is not intended to preclude the use of the grievance process.

RELEASE TIME. (Reference Article 7, Section 4) It is agreed that when the Vice President of IIPSA Classification 151 and above utilizes release time, it would be charged as non-student contact time. The only time this will change will be if the Vice President for IIPSA Classification 151 and above was working directly with students on a full-time basis.

FOIA REQUEST. (Reference Article 9, Section 1) If the Board receives a Freedom of Information Act request concerning materials contained in a bargaining unit member's personnel file, it will notify the Association President and the bargaining unit member. It is the intent of the Board to give this notification prior to filling the request but in no instance will it give the notice later than at the time of fulfilling the request of their materials requested and, if requested by the bargaining unit member, furnish copies of the materials to the Association. The Board reserves the right to charge the Association the same amount for copies as it charges the person making the request under the Freedom of Information Act. If other requested materials are not in the personnel file and the bargaining unit member is named in the FOIA request, then the foregoing also shall apply.

STUDENT CONTACT HOURS. (Reference Article 13) The parties agree that the IISD calendar will meet the minimum hours required by law during the life of this contract (2004-2007). The parties further agree that no additional salary shall be forthcoming for these additional hours that are required. The required additional hours shall be in place as soon as practicable since local district calendars may be impacted but not later than by the beginning of the school year.

The parties are desirous of negotiating these required hours after receiving input from the programs that are impacted by the requirement. Each program that needs to increase its hours to be in compliance with the law shall establish times to meet beginning no later than February 1st of the year prior to implementation.

The administrator and a committee of staff members from the program shall be joined by an Association representative and the Assistant Superintendent of Instruction to discuss the issue and to formulate a plan to meet the additional hours requirement. The program committee shall formulate a plan by May 1st and forward it to the IIPSA Executive Board and the Superintendent for review. Either party, after review of the plan, may request to negotiate the plan. Such negotiations shall begin by May 15th of the year.

This provision, student contact hours, will expire on June 29, 2007.

INSTRUCTIONAL. (Reference Article 14, Section 9) The parties agree that if Public Act 112 is repealed, or its pertinent section relating to sub-contracting is repealed, the word "instructional" in the second sentence of Article 14, Section 9, will be deleted. (Classification 1-150 are considered instructional staff.)

SCHOOL YEAR/CALENDAR. (Reference Article 15) Occupational Therapy Assistant, Physical Therapy Assistant, Allied Health Specialist.

The parties agree that these positions, as set forth in Classification 151 and above, will have the holidays and professional work hours of Classification 1-150.

The parties agree that IIPSA Classification 151 and above are able to utilize any accrued compensable time towards time off on either President's Day or one-half day on Good Friday.

SEVERE WEATHER. (Reference Article 17, Sections 3[E] and 8[G]; Article 21, Sections 2, 3, 4 and 5) The following three scenarios and general provisions are an attempt to assist us when situations occur that have not happened in the past in regards to staff utilizing personal time for severe weather situations.

1. If an staff member is working in East Lansing and Haslett and both of the school districts are closed as a result of severe weather, the staff member would notify the supervisor that they would be
 - a. working at home, or
 - b. using adjusted time, or
 - c. reporting to the ISD.
2. If the Wilson Talent Career Center is open because one or two districts are open, all teachers are expected to report
 - a. if staff are running late, staff will notify their supervisor and will report to work as soon as possible being careful to safely commute to work--there will be no charge against earned time for late arrival;
 - b. if staff is unable to report to school because of weather conditions and school is open, they will be charged sick time--either in half day or full day increments.
3. At times Mason School District will close which will necessitate the closing of Heartwood School when other buildings on campus are not closed. At the times Heartwood School closes, Heartwood School staff would utilize their professional hours plan in determining whether they have to report to school or not.

General Provisions:

There may be times that the Secondary Learning Center (SLC) and Wilson Talent Center (WTC) (Classifications 1 through 150 and Classifications 151 and above) staff report to the building and it is later determined that no students will be reporting to their program for the rest of the day. If all classes are covered, then those staff with no students in their program may

- a. continue to work in the building, or
- b. decide to work at home.

If a staff member has no students, but it is necessary for that staff member to cover for an absent staff member, this would not be considered simultaneous responsibility and no additional time off or extra pay would be awarded.

Staff in Classification 151 and above who do not have direct student contact, are expected to report to work on days that the District is open. If they are unable to report because of weather conditions, they may use any accrued compensatory time, sick time, or other compensable leave in either half or whole day increments.

Both parties agree that they will monitor the use of sick time for severe weather days. If an increased usage is noted, the Administration and Association will meet to discuss potential resolution.

CATASTROPHIC ILLNESS. (Reference Article 17, Section 13) The parties agree that the process is a draft we are working together to finalize. It will be a working draft that may change as we both learn what makes the most sense for staff and the District. We also recognize the longest someone could have access to this catastrophic illness program would be up to three (3) years while they are still an employee of the District.

FLEXIBLE SPENDING ACCOUNT. (Reference Article 22, Section 12) It is agreed between the District and the Association that staff members will be able to utilize up to Four Thousand (\$4,000) Dollars in 2012-13 and up to Two Thousand Six Hundred (\$2,600) Dollars in 2017-18 for certain medical expenses during the life of this contract. Both parties recognize that medical reimbursement is different than dependent reimbursement in that the District must pay the money to a staff member submitting bills, even prior to that staff member having the necessary money saved in the plan.

SUMMER EMPLOYMENT. (Reference Article 29, Section 7) Student Support Services Staff who are required to service districts in which those districts' regular school year begins before or ends after Ingham ISD's regular school year shall receive their regular rate of pay for all hours (see Letter of Agreement 94-4 and non-contract language extracted from 94-4) worked for those Districts during those times. This includes staff who work directly for year-round programs such as is currently present in Holt and Okemos. This does not impact different schedules during the year such as different in-service days, vacations, etc.

All other staff members; i.e., Wilson Talent Center, Heartwood School, Early-On, Career Planning and Placement Services, Machine Repair/Cleaning, etc., shall receive the maximum of MA 8 as set forth in Article 29, Section 7.

SUMMER EMPLOYMENT. (Reference Letter of Agreement 94-4) When staff members are working with the constituent districts other than during their normal work year and interpretation is needed as to how they charge their time, the following will be controlling:

All staff shall be paid for all time spent to do the work required. Time spent includes required preparation time, student contact time, IEPs, evaluating student performance and progress, report writing, conveyance to and from the District to the work site (one [1] hour), curriculum development, problem solving, in-service training, attending faculty meetings, conducting student and parent conferences, working on committees and committee assignments, evaluating student papers and themes, development of instructional materials, professional reading and study.

For purposes of this Agreement, a staff member unable to work due to any of the reasons set forth in Article 17 of the Collective Bargaining Agreement will not be paid nor will they be charged leave time.
